HOLE-IN-ONE GUIDELINES

The Hole-In-One fee (\$3.00) is included in your membership dues. It establishes a fund to reward any LGA member(s) who get(s) a Hole-In-One during any LGA sponsored events. Prize money will be split equally for each Hole-In-One and will be awarded by the President after the last LGA play day. A person will receive credit for each Hole-In-One she shoots on LGA day. If there are no Holes-In-One during the year, the money and membership participants will transfer to the following year. None of this money is to be refunded to outgoing members. If there is no LGA game on scheduled day, (game is cancelled) no Hole-In-One shall count because it is no longer an LGA event; however, if a Hole-In-One is achieved during play before a game is cancelled on LGA day, that Hole-In-One shall count because the person was playing in good faith that a game would be completed. If the Club Championship is held on a LGA day and during the LGA allotted time slot, any LGA member who has paid her LGA dues and shoots a Hole-In-One will be given credit for that Hole-In-One. This pertains to Holes-In-One only, and only on a LGA day. Club Championship participants will not be eligible for any other LGA prizes awarded on that day. Hole-In-One automatically wins closest to pin for that hole, but does not qualify as a chip in.

GAME DAY RULES

LGA play days are Monday and Wednesday.

MUST SIGN UP BY 5:00 PM FRIDAY FOR MONDAY'S GAME AND 5:00 PM SUNDAY FOR WEDNESDAY'S GAME. BE AT THE COURSE 30 MINUTES BEFORE YOUR TEE TIME.

The cost of play shall be \$3.00, to be paid prior to playing. All monies paid into the LGA game fund will be paid out to the members in white money. No money shall be refunded after tee off unless the game is cancelled. There are only 4 situations in which a game may be cancelled.

They are as follows:

1. The tournament chair or, in her absence, a board member may cancel an LGA event for any reason.
2. The Pro shop may cancel for course maintenance or severe and/or inclement weather.
3. During the shot-gun season, a game shall be cancelled if less than 50% of the starting field finishes.
4. When tee times are in effect, a game shall be cancelled if less than 50% of the starting field finishes 9 holes.

Members must submit scorecards to the Pro Shop within 15 minutes of completion of play (or within 15 minutes of leaving the golf course if failing to complete the game.) In case of bad weather when playing assigned tee times (as opposed to shotguns) and nine holes or more have been played, that will be considered a completed game. Scores will not be posted.

If temperature is below 50 degrees at the 1st tee time the game will be canceled. However the tee times will remain available for those that wish to play.

Nine hole LGA players are invited to play on regular (NOT a tournament or special event) game days. They will pay the \$3.00 daily entry fee. They will be eligible for game day prizes, but NOT Hole-In-One.

LOCAL RULES AND LOCAL INFORMATION

The following local rules are authorized by the USGA and have been adopted by Highlands Ridge Golf Club:

1. Local Rule B-3 adopted for Holes #5 and #8 on the South Course. If a player cannot see whether her ball is in a penalty area, (in order to save time), she may announce and play a provisional ball in one of these ways:
 - a. Play it from where the original ball was played.
 - b. Play it from a point back on the line from where it may have entered the penalty area.
 - c. Or if it may be in a red penalty area, use the two club length option.

If the original ball is found within 3 minutes outside the penalty area, the provisional ball must be abandoned.

If the original ball is found in the penalty area within 3 minutes, there are only two options: play if as it lies or continue with the provisional ball.

NOTE: MAKE SURE TO IDENTIFY EACH BALL YOU HIT AND ANNOUCE THE PROVISIONAL.

Local Rule A-3 adopted for Ball crossing local road. Pertains to holes 1, 2, 9, and 18

2. South Course. A ball which crosses a public road defined as OB and comes to rest beyond that road is OB even though it may lie on another part of the course.

3. Local Rule E-5 adopted to save time when ball is lost (**not in a penalty area**) or OB. Determine a point at the edge of the fairway which is equidistant from the hole as the point where the ball is estimated to be lost or out of bounds. The relief area extends two club lengths into the fairway from the point determined, no closer to the hole, and in the general area. Using this option is under penalty of 2 strokes.

Time For Search Before Ball is Lost - Your ball is lost if not found in 3 minutes.

Relief for an Embedded Ball - Relief allowed without penalty for an embedded ball anywhere (except in sand) in the "general area" (a new term for "through the green")

Unplayable ball in the bunker - A 4th option now available if declaring a ball unplayable in bunker. Drop a ball behind the bunker with a two-stroke penalty.

Touching the sand incidentally is permitted - Touching the sand in a bunker incidentally is permitted but the player must not test the sand, ground her club, or touch the sand during practice swing or backswing. Ball partly below the lip of the hole - is classed as holed.

Touching Loose Impediments or Ground in a Penalty Area - No penalty for moving loose impediments, touching the ground, or grounding your club in a penalty area. Keep in mind the ball is not to be moved. If the ball does move, replace to original spot with a one-stroke penalty.

SPECIFIC HOLE INSTRUCTIONS - SOUTH COURSE

HOLE #3

- a) If a ball lands on the stays on the bridge, it may be played as it lies or relief may be taken under penalty of one stroke under rule 17.1d. (Relief for ball in penalty area).
- b) If the ball clears the yellow penalty area (creek) but rolls back into the penalty area and is not playable, the player must take the ball to the tee side of the creek and play under penalty of one stroke. Rule 17.1d (2).

HOLES #5 and #8

In order to speed up play, local rule B-3 has been adopted so that a provisional ball may be played for a ball which may have entered a penalty area. (Without a local rule in place, a provisional ball may not be played for a ball which may be in a penalty area.) See the local rule above in the local rule section.

HOLES #13 and #18 Designated Drop Zone

When a drop zone has been added as an **additional** relief option for a ball in the penalty area, after playing a ball into the penalty area, the player may drop a ball in the drop zone under penalty of one stroke and continue the play of the hole.

SPECIFIC HOLE INSTRUCTIONS - NORTH COURSE

NO PLAY ZONES: These are parts of the course which are environmentally sensitive in which play and entry has been prohibited.

HOLES #'s 2, 5, 6, 7, 8 and 15 have penalty areas which should be marked with red stakes with green top.

When ball lies within no play zone, red penalty area rules apply except that the ball may not be played as it lies. Rule 17.1e (1) Penalty area relief.

When ball lies outside no play zone but zone interferes with stance or swing, the player **MUST** take relief without penalty under Rule 16 (Abnormal Course Conditions) or take unplayable relief with penalty under Rule 19.

HOLE #11

The fence on the left side is considered out of bounds. You do not get free relief from OB markers, including fences.

HOLES #12 and #15

The primitive areas along both sides of the fairway of hole #12 and the left side of hole #15, and any areas **NOT** marked as penalty areas or OB (fences are considered OB) on any holes, are considered part of the course. If your ball goes into one these areas, and you cannot find it, it is a lost ball and you **MUST** go back to the spot as near as possible from which you last hit your ball to continue play. It would be wise to hit a provisional ball to speed up play. If you find your original ball within three minutes of searching, you must abandon your provisional ball and continue play with your original ball. Rule 18.3c. If it is unplayable, proceed under the unplayable ball rule. Rule #19.

HOLE #17

The fence on the left side is considered OB. You do not get free relief from OB markers, including fences. "Rules of Golf"-definition of OB.

Anywhere on the course where young trees interfere with your swing, take full relief. *No penalty*

HINTS TO ELIMINATE SLOW PLAY

Take any clubs you may need to the ball.

Put clubs in bag at next hole.

Ready golf at all times.

Watch where cart mates' balls are going.

Move off the green quickly.

Be ready to hit your ball.

If foursome is half-hole behind, speed up.
