

Welcome to Highlands Ridge on behalf of the 18 Hole Ladies Golf Association

We would like to invite you to join our Highlands Ridge Ladies Golf Association. We are a group of about 100 members who enjoy friendly competition on Mondays at The Preserve and Wednesdays at the North Course of Highlands Ridge.

At The Preserve Course there is a sign-up room adjacent to the ProShop. You will find sign-up sheets, along with the games being played, for the month. Just initial by your name (once you have joined the LGA) and you will receive an email with your golf foursome and your tee time. The games are arranged by handicaps and flights depending on the game for the day. The cost is \$3.00 per day and payouts will be posted and emailed out. All winnings will be given as credit on an account set up for you, to be used in the ProShop.

There are also special events during the year which will require a special sign-up. These sign-up sheets are located at the North Course of Highlands Ridge. Usually, these special events will include a lunch or dinner and a check is required to cover these additional costs.

The cost to join the LGA is \$20/year and is to be paid by check to HRLGA.

The LGA Board consists:
